- Fully transparent line by line re-price analysis

### LEVERAGE

- Strength and negotiating power through our large network and relationships
- Access to superior pharmacy benefit contract options with solid economics, definitions and optics to mitigate pharmacy spend

### SAVINGS

- Continually finding new ways to save and enhance access
- Advisory services to drive down cost and continually work on our client's behalf to mitigate Rx spend
- Clinical team and robust programs increase quality of care and affect Rx trends

## World Class Implementation, Management and Consulting

### PBM TRANSITION

- Ensure all implementation items are completed prior to the effective date
- Assist PBM and Client to map current benefit design to new benefit build out
- Work with prior PBM to get all necessary transition files transmitted to new PBM

### MEMBER SERVICE

- Proactively identify and address member disruption with white-glove transition plan
- Proactively identify any member challenges throughout the year to ensure best in class service and support

### UTILIZATION & RECONCILIATION

- Perform annual financial reconciliations to ensure all contractual guarantees are met by PBM
- Provide market updates on any new programs available to help reduce cost
- Provide detailed reporting on claim utilization, high cost claim reviews, and cost projections

### RENEGOTIATIONS

- Execute market checks to ensure the client is receiving best in class terms and pricing
- Utilize pharmacy experience as leverage in PBM renegotiations
